

JOIN THE MEMORIAL PARK VIRTUAL FIELD TRIP

TERM 4, STARTING NOVEMBER 19

There is a rare opportunity for students to be part of national project leading up to First World War commemorations.

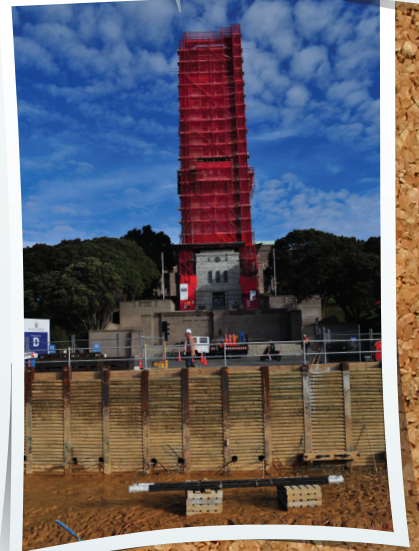

Bring your students on a virtual trip to Wellington and get them involved in the undergrounding of State Highway 1.

- Climb high up the War Memorial Carillon tower amongst its 74 bells to oversee the city and the project site
- Locate and preserve historical artefacts
- Talk with engineers, digger drivers and designers responsible for the construction project.

You can enrol your class at www.learnz.org.nz
